

are we deadass

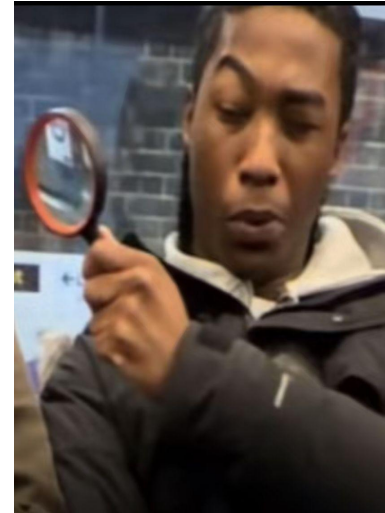

singapore stupid hackathon

2026 edition

we're also surprised ur here.

What do we want?

No business plan

No real use case for people

Make something fun and have a good laugh

Shock value > market gap

Go crazy and have fun

IMPORTANT INFORMATION

pls read the **hacker
package** thoroughly.

It is in the **telegram
group chat** under
welcome and rules

(we don't want to
reprimand u)

also in the hacker package...

ty sponsors we love u

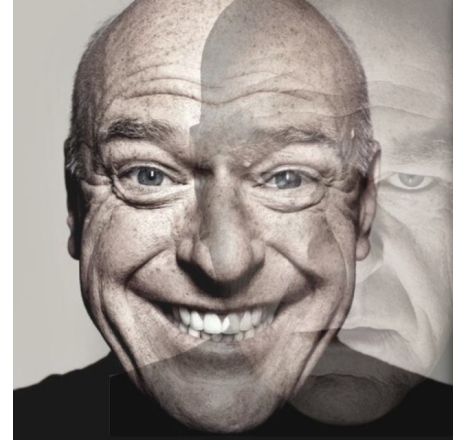

Teammaking / make some friends

Try to keep the groups of
upto 3-4 ppl max

no teammate?

even after we did those
icebreaker games?

good luck!

happy hacking!
